

# SHAKESPEARE THE ETERNAL BARD

SATURDAY, MAY 15, 2010  
8:00 IN THE EVENING  
MISSION BASILICA  
SAN JUAN CAPISTRANO

This program celebrates, in sound, the creative union of Shakespeare's timeless words and the powerful voices of today's composers. These composers have taken inspiration from Shakespeare's words and have set them with great care, much as a jeweler works with precious metals to enhance the brilliance of a precious stone. Featured on this program are the *Shakespeare Songs* of Matthew Harris, plus the rarely performed *Songs of Ariel* by the Swiss composer Frank Martin.
